

## Samantha Fisher, M.D.

Dr. Samantha Fisher is a board-certified dermatologist at The Woodruff Institute. Before moving to Naples, she was on faculty at the University of Florida College of Medicine, where she utilized cutting-edge medical techniques to treat some of the most challenging cases in her field. An educator at heart, Dr. Fisher enjoys teaching residents and carries this devotion to her clinic, educating patients on the prevention and early detection of skin cancer.

## Michael Stampar, D.O.

Michael Stampar, D.O., is a board-certified facial plastic surgeon with additional expertise in nonsurgical wrinkle reduction and facial skin tightening, and the injection of facial fillers to restore volume and improve wrinkles and folds. Because he has equal expertise in and enthusiasm for surgical and nonsurgical procedures, he is able to recommend which treatment is best for you, not what's best for him.

Certified in 1991, Dr. Stampar has practiced in Punta Gorda since 1996. He now performs all of his procedures at nationally recognized Spago Dayspa, Medispa and Salon. He visits the Plastic Surgery Spa in Bonita Springs on Mondays to provide state-of-the-art skin tightening and fillers. He performs all of the procedures himself and has traveled worldwide teaching his unique combination of Pelleve®, painless radiofrequency for

preparation before using any fillers. This combination involves no downtime and addresses cause, skin laxity and collagen loss, leading to the best possible rejuvenation he has ever been able to provide. Call for a free consultation.
